**COMMITTEE FOR THE PURPOSE OF CONTROL & SUPERVISION OF  
EXPERIMENTS ON ANIMALS (CPCSEA)**

**Minutes of II<sup>nd</sup> meeting of the Sub-Committee for CPCSEA Nominee Selection, held on 19<sup>th</sup> April, 2005 at 11:30 A.M., in Animal Welfare Division, 8<sup>th</sup> floor, Jeevan Prakash Building, 25, Kasturba Gandhi Marg, New Delhi-110 001.**

The following members were present in the meeting:

1. Dr. (Mrs.) Vasantha Muthuswamy, Sr. DDG, ICMR – Chairperson
2. Ms. Sanober Bharucha, CUPA, Bangalore – Member
3. Dr. A. J. Rao, Bangalore – Member
4. Shri. Raj K. Mahtolia, Member Secretary, CPCSEA – Member
5. Shri S.B.Saroha, Under Secretary, Animal welfare Division
6. Dr. D. Mohanty, Expert Consultant, CPCSEA
7. Dr. Shashikumar Nair, Expert Consultant, CPCSEA

The Chairperson, while welcoming the members, thanked them for the detailed exercise undertaken in the last meeting held on 11<sup>th</sup> September, 2003, to select nominees for around 600 institutes. She further mentioned that the final document was yet to be prepared on the basis of the discussions and exercise done in the last meeting. Besides, selection is also to be made of new nominees for the institutions registered with the CPCSEA thereafter. She also reiterated the earlier decision to appoint a link or alternate nominee, who can attend the meeting of IAEC in case of non-availability of the main nominee. She also added that while selecting the Nominees, it is to be ensured that one of the nominees should be a Scientist / Technical person and the other should be an Animal welfare Activist.

The Chairperson then called upon the Member Secretary, to take up the agenda for discussion.

The Member Secretary, while welcoming the members informed that the Minutes of the 1<sup>st</sup> meeting of the CPCSEA Nominee Selection Sub-Committee held on 11.9.03, are not available in the office and also there is no authenticated list of nominees available. The Chairperson suggested that regarding the names approved by the Sub-Committee in its 1<sup>st</sup> Meeting held on 11.9.2003, we may verify the list available in the computer of CPCSEA Office, with the letters sent by the then Member Secretary and also with the original manuscript available. The agenda was taken up for discussion, thereafter.

**Agenda Item No. 2.1: Ratification of the un-authenticated list of CPCSEA's Nominees (State Wise) prepared during the 1<sup>st</sup> meeting of the Sub-Committee held on 11<sup>th</sup> September, 2003.**

The Member Secretary mentioned that on the basis of discussions held in the 1<sup>st</sup> meeting of the Sub-Committee, the then Member Secretary, CPCSEA, had written letters

to about 536 institutions, informing them about the decision of the Sub-Committee to appoint CPCSEA Nominees to their IAECs. These letters contain names of CPCSEA Nominees.

The Sub-Committee then undertook the exercise to verify the name of nominees conveyed to the institutions, with the 'original manuscript' prepared in the last meeting. However, since it was a very lengthy exercise, and, since it was observed that most of the nominees selected, were as per the original manuscript, with only some deviation in certain cases, it was decided that the exercise would be completed in the CPCSEA Office. A list is to be made on the basis of the letters sent, along with amendments if any, and to be circulated to the members of the Sub-Committee and after receipt of inputs from them, the list is to be submitted to the Chairperson for authentication.

The Names of Nominees in Annexure I of Agenda, were compared with the names of Nominees appointed as CPCSEA Nominees vide the letters sent by the then Member Secretary, CPCSEA and to the hand written 'original manuscript' prepared after the 1st meeting of the Sub-Committee for CPCSEA Nominee Selection held on 11.9.03. After this comparison, the final list which has emerged is at **Annexure A**.

**Agenda Item No. 2.2: Invalidation of the list of nominees added to the State-wise list of Nominees after preparation of the list during the meeting held on September 11<sup>th</sup> 2003**

The Member Secretary, suggested to invalidate the 208 names in Annexure 2, as they had been included in the list of Nominees by the Expert Consultants at the CPCSEA's Chennai office, after the Meeting of the Sub-Committee held in September, 2003.

After discussions, the Sub-Committee decided that if the Nominee Application Forms of the persons from this list were available and, if they qualify for being appointed as CPCSEA Nominees with regards to their educational qualifications and experience in Animal Welfare, they be included as CPCSEA Nominees, since, it would be in the best interests of CPCSEA to have more qualified and experienced nominees. It was further decided, that application forms from the remaining candidates may be obtained and a list of such persons, along with all particulars, may be circulated among the members of the Sub-Committee.

The Nominee Application Forms of the list of Nominees at Annexure 2 of the Agenda which were available, were then perused. After discussion, some of them were approved by the Committee. The names of those nominees approved by the Sub-Committee are included in **Annexure B**.

**Agenda Item No. 2.3: Consideration of new applications for selection of CPCSEA Nominees for Institutional Animal Ethics Committee (IAEC).**

During the course of the deliberations, the Members decided that wherever required, in case of replacement of existing nominees who have either changed their address or are not in a position to function effectively as CPCSEA Nominees, would be replaced /

substituted from suitable qualified / experienced persons from Annexure 3 of the Agenda.(New applications)

In the remaining cases as listed in **Annexure C** for consideration as new CPCSEA Nominees, it was decided that the list may be updated along with their complete addresses. From this list of new applications, the Sub-committee considered and approved seven names. However due to paucity of time, other applications could not be considered. Accordingly it was decided that the list may be circulated to Mrs. Sanober Bharucha and Dr. A. J. Rao, Members of the Sub-Committee for their inputs regarding selection of new nominees from this list. After obtaining their inputs / comments, the final list of Nominees, who may be approved as 'fresh' CPCSEA Nominees, may be prepared and sent to the Chairperson for approval.

**Additional Agenda:** The following additional agenda was taken up for discussion and necessary action, with the permission of the Chair:
