

Registration of Importers of New Lead Acid Batteries

Rule 5 of the Batteries (Management and Handling) Rules notified by the Ministry of Environment and Forests in May 2001 stipulates that all the importers of new lead batteries shall get themselves registered with the Ministry of Environment and Forests by submitting details in a form prescribed in the Rules. Rule 6 stipulates that custom clearance of imported lead acid batteries shall be contingent upon, inter-alia, the one time registration with the Ministry of Environment and Forests. Accordingly, applications are being received from importers of new lead acid batteries in Form II. Based on the examination of the applications, one time registration is being granted to such importers. The list of units registered with the Ministry as importers of new lead acid batteries till date is given below:-
