8	Not Applicable	Not applicable	No change
9	2 years	Not applicable	As per DOPT's guidelines probation period is not necessary if the promotion is within the same group. In the instant case from Group 'C' post of Electrician to another Group 'C' post of Senior Electrician. Hence the change.
10	By promotion' failing which by direct recruitment	By promotion failing which by deputation	There are two posts of Electrician in the NMNH which form the feeder grade for promotion to the post of Senior Electrician. In case, at any time in future, if the Electrician in the feeder grade does not have 5 years service required for promotion, the post of Senior Electrician will need to be filled by direct recruitment. The directly recruited Senior Electrician will block the chances of promotion of the Electrician for ever. It is, therefore, proposed to change the method of recruitment for the post of Senior Electrician as promotion failing which by deputation. The deputationist will revert to his cadre organization on completing his tenure of deputation which is normally of three years thereby releasing post

			which can then be filled by promotion from the level of Electrician who in the meanwhile would have completed the eligibility service required for promotion thereby saving the interests of the persons in the feeder grade.
